re. Reiner-Deutsch

[see. Assistant, H.S. Handy]

January 25, 1935

OCT 28 1982

Dear Professor:

Doctor Reiner-Deutsch has been corresponding with me about a nephew who wants a job in the Institute. What do you know of Doctor Deutsch and of the Society of American Bacteriologists? The printed names of the Committee do not suggest a very representative organization.

Yours,

Rowe
